

Transcona Music Center 2023 - 2024 Registration

First of all, thank you for continuing to support our business, especially in the uncertainty and craziness of the past couple of years and the ever-changing restrictions to which we had to adapt. We appreciate you all!

Please read all the information carefully as we have implemented several changes.

We are switching to a preauthorized transfer payment for ALL teachers. This will save the hassle of cheques and will ensure that the payments are deposited on time.

How the preauthorized payments will work:

- Fill out the form with name, address, banking information (include a void cheque). If you have done this previously, and no information has changed, you can just authorize payments to continue (under registration requirements on this form).
- There will be 10 payments (per student) - \$95 each month from September to June.
- The payments will be taken directly from your bank and deposited into Transcona Music Centre's bank account, between the 1st-10th of each month.
- We will still require 1 month's notice if you desire to stop lessons, and then we will put the cancellation in for future payments.

Please complete the required forms and return by either giving them to your teacher or they can be sent to transconamusiccentre@gmail.com

TMC POLICIES

Thank you for choosing us as your teachers. To maintain the professional atmosphere we have established, these are the policies that will be followed by every instructor.

Lessons are to be paid through Pre-Authorized payments and all payments will come out between the 1st and 10th of each month.

\$20 NSF fee will apply.

In case of withdrawal, four weeks notice is needed, and payments will be stopped 1 month after notice is given.

Due to our full capacity, we must insist that students arrive on time and any questions that need to be asked of the teacher be done by phone or during a student's booked lesson time.

In the case of a student's absence, we do not re-book lessons. We are here for you at the arranged time, whether or not you attend. Please speak to your teacher if your child has to stay home due to covid symptoms, as online lessons may be an option instead. Should the instructor need to reschedule, another lesson will be given at a time that is convenient to you.

Congratulations on your decision to include music in your life. We hope you enjoy your studies!
